ALL SETTLED IN AND GRATEFUL

On July 16th, we began moving into the “alternate manse” in Bristol Village —336 Oak Ave. We will reside there throughout the remainder of my contract. In the month since we moved, I have not had any respiratory issues or infections. Bristol is such a lovely and peaceful place, and I am very thankful for the opportunity to join the community where so many of our congregants live. If you ride by in the early morning or

late afternoon, you will probably see me tending to the many plants I’ve positioned outside. Inside, my orchid collection is thriving in the large picture windows, and our Chihuahua “Cloud” loves the long morning walks Ron takes him on. While moving is a stressful endeavor, the warm welcome we’ve received has made us very grateful. If you see me outside, please stop and say “hello!”

OUR SESSION AT WORK

The regularly scheduled meeting fell on Juneteenth so the meeting was rescheduled to June 26. The meeting and

subsequent report occurred too late to be published in the Courier. We will return next month.

WHY WE DO WHAT WE DO—CHRIST CANDLE

The Christ Candle is a symbol that Christ is present whenever two or more people are gathered. It also reminds us to anticipate Christ's return and to be a light that shines in the darkness. As Jesus said in Matthew 5:14-16,

¹⁴You are the light of the world. A town built on a hill

cannot be hidden. ¹⁵Neither do people light a lamp and put it under a bowl. Instead they put it on its stand, and it gives light to everyone in the house. ¹⁶In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven.

- tissues

Any assistance will be greatly appreciated.
